

DECISION OF THE COURT

(To be completed by Judge after court review)

This Court's review is limited to "the record established at the hearing before the registrar" (G.L. c.90, §24[1][g]). The Registrar has relied on the submission of that hearing record, including the hearing officer's decision, for its appearance and answer in this matter. After review of that hearing record, I find as follows:

YES NO

- The Registry exceeded its constitutional or statutory authority. (If yes, see specific findings below.)
- The Registry made an erroneous interpretation of the law. (If yes, see specific findings below.)
- The Registry acted in an arbitrary and capricious manner. (If yes, see specific findings below.)
- The Registry made a determination which is unsupported by the evidence in the record. (If yes, see specific findings below.)

SPECIFIC FINDINGS: *RMV DECISION EXCEEDED THE 10 BUSINESS DAY MANDATE UNDER 540 CMR § 11.02(6)*

Accordingly, it is ORDERED that judgment shall enter:

- AFFIRMING REVERSING the Registrar's determination:
- DISMISSING the petition for review because it was not timely filed.
- DISMISSING the petition for review because the petitioner failed to appear, the Registry's hearing record serving as its appearance and answer.
