Thanks

To the Best OUI Lawyer I have ever seen!
as well as a great guy.

Joe, can't say Thank You

enough in words! You went above
and beyond what was expected and
you never once backed down!!!

You are number one at what you do
and very methodical about doing it.

I can definitely say how happy I am
to have had you and to anyone else
who has you - and to prospective clients,
- go over everything before hand - and let
Joe "The Tiger" do his job in the court
room - because he doesn't miss one
thing that goes on and when the time is
right - he pounces. You will know all
this because of all his communication also.
